Professional Summary

Classically trained percussionist (CalArts MFA, Hartt BM) with 10+ years as a professional musician, music director, session player, and session / live engineer. Multi-genre performer (classical, rock, jazz, Latin, African, Brazilian, Indian, steelpan, and more) with classroom and private teaching experience. Tracking, mixing, and live sound (FOH / monitors); DAWs include Pro Tools, Reaper, Ableton Live, Logic Pro, and MaxMSP. Actively pivoting into game and interactive audio through Wwise / FMOD study, game jams, GameSoundCon, and interest in studio apprenticeships (e.g. Hexany Audio). Credits include the Izela album / on Bandcamp; percussion reel on YouTube.

Core Skills

Performance & Direction: Percussion (drum set, snare, timpani, mallets, hand drums) | Session musician | Music direction (MD) | Improvisation | Multi-genre performance | Ensemble coaching

Recording & Live: Session tracking / recording | Mixing | Live sound (FOH / monitors) | Stage management | Load-in / load-out | Instrument inventory and repair

Tools: Pro Tools | Reaper | Ableton Live | Logic Pro | MaxMSP

Teaching: Private studio | Classroom / lecturer | Clinician | Curriculum and lesson planning

Learning (not production credits): Wwise | FMOD | Unity audio | Unreal audio / MetaSounds | Interactive music implementation

Professional Experience

Musician, Music Director, Session & Live Engineer

2009 – Present | Los Angeles / Crestline, CA

- Perform and record as a session percussionist across classical, contemporary, and world-music contexts
- Music-direct ensembles and performances; prepare charts, run rehearsals, and keep shows on time
- Engineer recording sessions (tracking and mixing) in Pro Tools, Reaper, Ableton, and Logic; MaxMSP for custom tools and experiments
- Run live sound (FOH / monitors) for rehearsals, concerts, and school / theater events

Private Percussion Studio

September 2009 – Present

- Private instruction in drum set, snare, timpani, mallet percussion, and hand drums (30+ students over time)
- Green Brooms Music Academy instructor (percussion, guitar, piano, theory) since April 2014

California Institute of the Arts - Lecturer / Production / Drum Tech

September 2011 – May 2013 | Valencia, CA

- Lectured Music Theory, Musicianship Skills, and Rhythm Skills; built lesson plans; tutored one-on-one
- Roy O. Disney Hall production team: stage management, setup/breakdown, video/webcast, assistant to live sound tech; produced selected concert programs
- African Drum Tech: maintenance and repair, inventory, rehearsal-space management

Los Angeles Philharmonic - Artist Department

June 2013 – Present | Los Angeles, CA

- First point of contact for visiting artists; coordinate travel, hotels, rehearsals, performances, and master classes

Teaching & Clinic Roles (selected)

2009 – 2014 | CA / CT

- Guest clinician, CalArts; Pit / Drumline tech, John Burroughs High School; West African drum program, Ramón C. Cortines High School; Falcetti Music percussion instructor and ensemble coach; substitutes for local music studios and CalArts CAP

Los Angeles Philharmonic - Fundraising / Ticketing Associate

2013 | Los Angeles, CA

- Donor outreach for YOLA; relationship cultivation and gift handling (raised \$3,000+ in first month)

Education

Master of Fine Arts (MFA), Multi-Focus Percussion - California Institute of the Arts, Valencia, CA | 2013

Bachelor of Music (BM), Percussion Performance - The Hartt School, University of Hartford, CT | 2009

Development Goals (Game Audio)

- Complete Wwise 101 / foundational FMOD tutorials and log hours
- Contribute audio to game jams
- Attend GameSoundCon
- Pursue apprenticeship or junior game-audio studio path (Hexany Audio and similar)
